Thread: [Username Availability Checker](#)

**Munch** - April 3, 2015, 7:41 am

I would like to make this for a certain website, it has a sign up page that when you enter the username it shows up available or not.

Possible or nah? ?

**Odus** - April 3, 2015, 7:56 am

Absolutely - look into web requests. I'm not sure what else you want me to say.
