(Apr 5, 2015 09:39 PM)Ikillu64 Wrote: [\[CITE\]](#) I have received a vouch copy in exchange for an honest review.

Grammar: 9/10

I noticed minor grammatical and spelling issues but none that made the eBook hard to understand. Everything is thoroughly discussed in an understandable manner.

Originality: 9/10

I have yet to see this method in any other eBooks, although I have seen similar iterations of it while being monetized online. This is all I can say without giving away a portion of the method. I would say it is still well unsaturated.

Ease of Use: 8/10

The author provides all necessary tools to effectively monetize this eBook. Some tools are a bit complex, although you are 'spoon-fed' throughout the 27 pages in the eBook. The OP also provides support if you have any questions during the setup process, although I doubt you'll need to do so.

Overall: 9/10

Although I have seen this method monetized online before, I believe it is still unsaturated and very private. I will attempt this myself and eventually update with results. The OP provides everything you need to successfully implement this method, although it does require work and may require a small investment if you so choose. Based on all the examples provided, I don't see any reason why you can't easily triple your money in a matter of hours.

Bottom Line: Would I recommend? Yes. (Apr 5, 2015 03:42 PM)#Sick Wrote: [\[CITE\]](#) I got a vouch copy and I must say this method is so awesome ! Huge freaking vouch from me. (Apr 6, 2015 11:11 AM)Cardinals Wrote: [\[CITE\]](#) This eBook goes into crazy good detail and the method is a very good one at that. if you put in the effort you will definitely make some good money. I 100% vouch for this eBook.

Still %50 off, if anyone has any questions let me know

**Dafuq** - April 6, 2015, 1:32 pm

Could I get a vouch copy? Lemme know. Thanks in advance :)

**Som??od?** - April 6, 2015, 2:10 pm

I got a vouch copy of this. Here is my honest review.

Grammar (9.5/10):

Few minor grammatical errors. None of the errors make the text hard to understand.

Originality (7/10):

I have seen a few versions of this method in other ebooks. This exact form of it I haven't seen though. The market is pretty unsaturated. I strongly recommend that OP doesn't sell more than 20 copies.

Ease of Use (10/10):

The method is extremely easy to use and extremely well explained. The only problem is that you will most likely need a small initial investment.

Overall (9/10):

This method is pretty unsaturated and will make you a lot of money if you work hard at it.

**Cory™** - April 6, 2015, 2:18 pm

Thanks for the vouch, still selling this

**Jake Johnson** - April 6, 2015, 2:49 pm

**Fr?sh** - May 18, 2015, 7:30 pm

Vouch for Cory! Legit seller!

GLWS man

**Cory™** - May 19, 2015, 11:21 am

Let me know if you have any questions :)

**Cory™** - May 21, 2015, 11:31 am

Still up for sale and working great!

**AF1s** - May 21, 2015, 12:19 pm

Purchased this last night and just got a chance to look at it now. Out of all the eBooks I've seen on Hackforums I can say that this is by far the most detailed. Everything you need is handed to you and the seller seems legitimately dedicated to helping you earn money. There's bit of work required and I haven't tried the method myself yet but I can definitely see huge potential for earning using this method.

Don't hesitate to buy this eBook, you won't be disappointed and it really is worth much more than what its listed as in my opinion!

**Cory™** - May 22, 2015, 7:15 am

I'm glad you enjoyed the eBook :)

**Comedic** - May 22, 2015, 8:25 am

Vouch for Cory. He's a very HQ dude and won't let you down.

**Cory™** - May 23, 2015, 4:28 pm

PM me if you have any questions :)

**Craze** - *May 24, 2015, 2:10 pm*

vouch for my mate cory! he got the best shit on hf! ?

**Cory™** - *May 25, 2015, 6:08 pm*

Still up for sale! Post your questions here

**Cory™** - *May 26, 2015, 6:49 pm*

Still selling this :) Purchase through the auto buy

**Cory™** - *May 30, 2015, 8:09 am*

Still up for sale! Use autobuy if interested

**Cory™** - *June 1, 2015, 3:50 am*

Fiverr firestorm is still for sale :)
