Fenders sound amazing also; not that chinese crap I mean real fenders. The only reason I prfer gibson over fenders because I had a chinese fender and it left a bad taste in my mouth.

Both gibsons and fenders are way overpriced though but I guess you pay for quality. ?

Thornzzz - April 6, 2015, 12:14 am

Yeah, well I didn't have the budget for a nice Gibson, had a nice Inferno Red one when I was 8, took it apart and never touched it again.

Brendan - April 6, 2015, 12:16 am

I'm a trumpet man, but that's a nice looking guitar, Thornzzz.

I'm just curious, what type of music do you play?

I'm no where near good at guitar but I know a lot of people who are. I'm slowly getting better. I enjoy playing alternative songs maybe a little slack key, reggae etc.

Dex? - April 6, 2015, 12:19 am

I'd rather pay the extra \$80 (After Shipping Costs) than to buy one online and have to wait. It's not really a big deal.
