Thread: [Free Steam Coupons! Please take them!](#)

Hey Everyone!

I ranked up my main's Steam level today. As a result I have some coupons I have no use for. If you want any of these coupons send me a steam trade offer and I will be glad to accept. Please limit to 1-2 coupons per person. Thanks!

I fixed it, sorry about that! I forgot you have to still have your inventory public to trade.

I don't have any new trade offers, double check that you sent it correctly.

Can you hold onto one of those for me? I am restricted from trading right now and I really want one.  
Haha. If not it's cool. Thanks man.

I really want to get rid of them, sorry bud.

Still have some left if anyone wants them. Shoot me a trade request.

I still have these and I am online and accepting trade offers. Please limit yourself to 1-2. I have had multiple trade offers for like 5 or more.
