Thread: [HUGE E-Whore Package 1 | Collection | 7.40GB](#)

Infernumi - April 8, 2015, 12:19 pm

DISCLAIMER: I am not responsible for anything that happens with the use of this package nor am I responsible for any of the content included. I am only providing the access to it. I did NOT make this. All the credits goes to the respectful owners.

Hi there guys!

I made a thread earlier today asking if you guys would be interested in some larger packs. Well, I got a few people saying that they would like to have a couple of bigger packages, so that's why I am making this thread.

This package is made from smaller packages I have collected in a few years time. It includes everything from selfie-shots to multiple videos of the same girl. Some more saturated than others.

This is not my original work, as all the packages included are originally made by other people. I just thought it would be nice to have bigger packages for people who would like it, which is the reason why I am releasing this.

NOTICE: The package is encrypted, so PM me for the password.

Please leave a comment down below as to what you think about the package.

Thanks. ?

Yeah, you are probably right. I didn't really think about it since there is like 250 diff. girls. I might put some up later :) thanks for the feedback.

PM'd everyone asking for password above. If I missed you, just post again :P

b?xxy - April 8, 2015, 2:57 pm

Thanks for giving this away.

Let's hope members will take advantage of this.

ANTHONY - April 8, 2015, 4:50 pm

Your disclaimer makes it seem like there is some under aged girls in it.

Nachfolger - April 8, 2015, 5:48 pm

Can I get the password? I've sent a PM already.

I hate MEGA so much because it makes you wait until their done, then it takes time to download.

Infernumi - April 8, 2015, 11:07 pm

(Apr 8, 2015 04:50 PM)Focsy Wrote: [\[CITE\]](#) Your disclaimer makes it seem like there is some under aged girls in it.

I see your point, but that is not my intention with it. It is my first time that I release something on HF, so I just to be as easy and careful as I can.

There's about 200 and few more girls, and I have been through all of them. I am certain there is none. The disclaimer is that I don't want people to think that I took the time to make these packs myself, because I didn't. These are already made packs from other people. I just put them all into one big package. That is it. :)
