Thread: [Upgrading 1 User To UB3R Just Tell Me Why You Deserve It!](#)

Gatt - April 9, 2015, 5:28 pm

I will be upgrading one user to UB3R you must be approved ofc.

All you have to do is simply tell me why you think you deserve it.

End Date: 24 hours from this post.

Fr?sh - April 9, 2015, 5:30 pm

I think I deserve Ub3r because I am a really active member (check my post count)

And I think Ub3r would look awesome and I don't really make money online that often

Vouch this user is crazy addicted to hf. Even if I was approved I'd still say this guy deserves it more than me.

Well I'm new here, so there really isn't much for me to say why I deserve it. Hopefully you could make an exception for a new user and help him out a bit.

You must first upgrade to l33t then get approved to be able to upgrade for ub3r :)

GeNesis - April 9, 2015, 5:52 pm

HQ Member all around. I like to give back to the community quite often. I registered back in 2012 and I was on/off HF until about 4-5 months ago. I bought l33t and have been very active and helpful since then and don't plan to stop. If I get ub3r I will continue you doing my giveaways (will do

regardless if I win or lose) and keep supporting HF and it's members.

I got approved like 6 months ago and just want Ub3r tbh, no reason to lie and make some lame ass excuse as to why I want it, I mean I don't have the \$\$\$ right now but eh.

Impulses - April 9, 2015, 7:06 pm

Would you consider just giving away the 25\$ to someone, if they're already ub3r?

Aakash Choudhary - April 9, 2015, 7:21 pm

Hi i also want ub3r account. Why i deserve is because I am HQ guy and i helped many friends. Thanks ?

Pew ? - April 9, 2015, 7:47 pm

I'd like ub3r because there's a lot of fucking people who need a neg from me

Comedic - April 9, 2015, 9:06 pm

I would love to join for the Ub3r giveaway!

I believe I deserve this because I help out a lot a users on a daily basis, from my phone ffs. This is because I never had computer access for awhile due some stuff. I also did one nice release all via my phone if you check out my latest thread you'll see, so that's something I guess :p

Gl everyone!

Sunlight - April 10, 2015, 1:11 am

I'd love ub3r.

My reasoning is quite simple, I don't have enough money to purchase ub3r and I only have BTC. My parents are strict, they don't understand the internet and forums and explaining ub3r would be a nightmare. It'd be nice to be able to join the blue side and experience all the features of this forum.

I don't really have much to say or offer as to why I deserve to get this upgrade, I don't have any skills so giving back to the community is hard for me. I did make a thread offering free text signatures however, that's all I've been able to do. I sold my signature, if that counts? :s

I've been trying to earn BTC but I'm finding it hard to do so, I don't have enough money to buy the upgrade myself so having the opportunity to enter this contest is very kind of you OP.

I wish I could add more information to this to make it seem like I honestly want this upgrade and be able to provide more information, but I simply have nothing special to write and I'm terrible with words.

Thank you OP for this contest.

Rulerzz - April 10, 2015, 1:13 am

i'm an old user and i'm trying my best to start a store in HF and being an ub3r would help me in it.

Gatt - April 10, 2015, 2:31 am

Keep it coming guys tbh still no post got my attention.

Original™ - April 10, 2015, 2:33 am

I've been approved for ub3r a few weeks now.

I think I deserve it simply because I'll make the most out of it. I'm an honest and trustworthy guy, mostly HQ and I try to help as many people as I can. I'm sure I'm a contribution to this community, and an ub3r upgrade would be great.

Gem - April 10, 2015, 2:39 am

I'm not approved for Ub3r, I'm not even L33t.

I don't think I deserve this. What a twist huh?

Nice giveaway by the way.

Foundatons - April 10, 2015, 2:40 am

Gl to whoever wins this competition.

King Ragnar - April 10, 2015, 2:41 am

Come on guys, you've got to do something better than this to impress OP as he mentioned barely anybody has got his attention yet so you guys better step up and you guys are competing to receive Ub3r Upgrade so if you really want it, try your best. At least I would..

Sunlight - April 10, 2015, 2:49 am

Edited my original post, I'm terrible with words and I don't think I can sell myself with a good enough reason.

Once again, thanks OP.

Yeah It looks much better not I guess :)

Mr. Dr. Prof. Patrick - April 10, 2015, 4:53 am

- why i deserve it?

Well i am Patrick, and if you upgrade me i will say your name in a spongebob episode, youll become famous and get all the chicks,

Also i help out the coding section all the time. I havent released any projects to benefit the community yet, because what i mostly code would not interest the community, but i have been working on a visual studio style GUI builder that spits out pure win32 source that should be a great contrib to the C/C++ section.

-Why cant i upgrade myself although im a millionair pile of pixels?

Things arent what they seem, nickelodeon doesnt pay me a dime and my best friend wouldnt even spare a passing glance, squidward doesnt answer my calls and Sandy's in texas, if you can get a penny out of mister krabs you're awesome and plankton wouldnt give me \$25 without the patty formula

Gatt - April 10, 2015, 6:23 am

Well not much time left guys you will be upgraded for free for just saying why you deserve it

Friendly HF User - April 10, 2015, 6:30 am

I really would like Ub3r cause I plan on starting a service here very soon, and the Ub3r upgrade would be very helpful. I currently do not have much money as I need it for gas and such however if I had \$25 I would definitely use it on Ub3r. I browse HF almost all day, and this Ub3r upgrade wouldn't be put to waste. I got accepted a few months ago, I just haven't been able to afford it. I do not want it just for the title, but for the features that comes with it I know for sure it helps people when dealing in the marketplace, and it would benefit me a lot. Like I said this upgrade would not go to waste, and I wouldn't let you down knowing that you gave Ub3r to the wrong person. :)

A little bit about me and what I do? My name is Parker I'm 17 I live in the United States (ofc) I play football, and love coding. Tbh I live a pretty good life, just don't have the wealthy part down. I love playing video games as you can tell why I'm in Fortune :P If you couldn't tell I love vaping, it's pretty much a hobby making DIY juices.

Thought I'd introduce myself also to try and get your attention.

Thank you very much for this, good luck to all.

GI everyone!

I would like to vouch for this guy. I am not affiliated with him in any way and he did not ask me to do this.

I see him on the forums all the time and he is a great member. Consider him :).

Gatt - April 10, 2015, 11:56 am
