Thread: [Are Steam Account Stealers allowed?](#)

Arcanine 4th Account - April 11, 2015, 9:31 pm

The Steam account stealer steals the account and bypasses steam guard...
Is it allowed since it has nothing to do with inventory.

Tokyox - April 11, 2015, 9:32 pm

It's not even hard to bypass steam guard? Lol. It should be allowed, I think.

Replace them and you can login to the account with ace.

There's already such a product being sold by LaPanthere, so I believe it should be allowed. [Link](#).
