One day, he accidentally falls from a flight of stairs onto Urara Shiraishi, the ace student of the school. Yamada wakes up to find that he has swapped bodies with her! The two try to reverse the change and discover that kissing triggers the body swap. On the suggestion of student council vice-president Toranosuke Miyamura, they revive the Supernatural Studies Club. Just saw the first episode & I gotta say they have adapted the manga well despite the fast pacing. It's really hilarious & I fell in love with the animated Shiraishi. Blondes all the way <3.

Ang?I - April 12, 2015, 5:44 pm

I've waited too long for a full TV adaption of Yamada-kun. The first episode was great.

neightworks - April 12, 2015, 9:27 pm

Oh baby, first episode 10/10.

By far the best of the season, I'm already putting money on that.

Nater loves Kisses.

This is gonna have the most no. of kisses in an anime, I'm sure about that.

Disappointed as I saw no magic at all. Was a nice episode though.

It will come later on the series.

The magic involved here ain't the visual one.

It's all through Spoiler [\(Click to View\)](#)kisseswhich is a new concept

I seen this, turned it off after the first thing happened like wtf. Watched some other animes, ran out of things to watch, finished watching it, Face palmed so hard at the end that I am sure I dented my desk and the wall behind me. I will probably end up watching more but it is just like REALLLLLY!! This is where you want to take the story? Ok I guess we are going there.

eyeShockk - April 14, 2015, 6:30 am

The first episode was great but sad, luckily I started watching yesterday and Episode 2 was already out, and Episode 2 was great as well!

I think it will be a good anime, but the basic friends-make-you-strong stuff is getting boring already

I only started it for the kisses, but it's caught my interest enough to finish.

It has magic just like I said in my previous post.

The yaoi scenes are not actually yaoi but it happens because of the magic.

Watch it, it will make you laugh a lot.

It seems good so far, though not my type of magic. :/

Tasemu - April 21, 2015, 5:19 pm

This just moe shit or is it actually worth watching? I'm leaning towards the former purely because of the picture and the type of people posting in this thread.

I'd say read the first few volumes of the manga and then form your opinions, it's a bit better done and will give you a good idea of what to expect.

It is worth watching & has some good laughs.

I don't know if you are referring to me or somebody else when you say "type of people posting" but it's not bad.

You should see the first two episodes & decide for yourself.

Tasemu - April 22, 2015, 4:41 am

Nah was talkin about angel hehe ^^

Kiyoshi - April 22, 2015, 9:18 am

Tbh, I got pretty bored watching this.

If this is the main plot, I will probably drop the anime.

This is just one part of the main plot.

It's gonna get quite interesting later on.

Latin - April 30, 2015, 11:38 am

Didn't expect it to actually be this good, can't wait for the next episode.

Man Bear Pig - April 30, 2015, 1:14 pm

I've seen up to episode 3 of this. To be honest it's quite funny to watch but there idea of magic is quite weird. I didnt realise that it had a manga to go with it so I will probably go read that.

Hopefully it gets another season, it's pretty enjoyable. Is there lots of material for another season?

Chips Ahoy McCoy - June 26, 2015, 1:41 am

~ Going to post this here and not read replies to avoid spoilers ~
This is ending soon and I can't wait to start watching it. I heard
the opening song and just immediately wanted to watch. Can't wait.

OmfgWdf - June 26, 2015, 6:13 am

Reading the manga and it's really good but I really hope Yamada picks the first girl :/

This season will most probably end till the 92nd chapter or close to that.
Right now they are publishing around chapter 150 so considering that they still have enough
material.

Aura - September 14, 2016, 6:22 pm

Shiraishi is best girl.
fite me if you think otherwise

Jokes aside, don't anyone feel like the intro song have an "old", "nostalgia" feeling to it?
