Thread: [Free gameminer invites](#)

CJamie - April 13, 2015, 3:10 am

I made a horrible mistake recently by hosting a giveaway of copied stuff from another user. I have only three invites that I bought through BTC and was gonna use it to myself. But now I'm giving them away and this would be my first step of apologies.

This is the link for the website:
gameminer.ru/net

PS: I will be giving away all my BTC coins soon...

But I made a terrible mistake earlier which resulted me getting -3 rep. I'm just hoping that providing stuff to the community would get my rep into neutrals ATLEAST!! I'm sorry I don't have any gameminer invites left for you (if you wanted :P). This is kinda my way to make people regain my trust.
