This is not my tool and I do not claim or take any responsibility for any harm that you may undergo by using this.

The creator of this tool is "TheAJSlammer(aka F1ST2BULLET)" and was posted on a forum that runs by its name as : MPGH. If you need any questions don't bother asking here as this is not the source/origin of the tool.

TheAJSlammer takes all responsibility taken with this tool.

DarkMethods - April 13, 2015, 5:49 am

Thanks for this, i love your work! =)

xeonx - April 13, 2015, 5:51 am

Wow I've been looking for an easy tool like this, it's always a struggle to change hwid :)

-Al

malo1992 - April 13, 2015, 6:19 am

Nice one, thanks for sharing! May come in handy quite often.

If I were l33t I'd +rep =P

If I were l33t I'd +rep =PThat is kind of you man, if you need help with the program then send me a PM!

SSCARL24 - April 14, 2015, 7:42 am

fucking brilliant man, thanks so much.

LuxyDev - April 14, 2015, 8:18 am

Thanks you very much for sharing this. very good !!!!! ?

Dalpy - June 24, 2020, 8:13 pm

I changed my hwid and can't change it back and i have hwid locked programs

Grim - June 24, 2020, 8:18 pm

that actually makes no difference its for the same use

Grim - June 24, 2020, 8:28 pm

(Jun 24, 2020 08:27 PM)Dalpy Wrote: [\[CITE\]](#) that actually makes no difference its for the same use
Why would you ask that on a 5 year old thread if it had nothing to do with the OP ?

Dalpy - June 24, 2020, 8:29 pm

so if anyone knows how to fix it i mean u answered pretty quick

Kieboard - June 25, 2020, 10:15 am

Does anyone know if this still works or? Just because this is 5 years old...

tantoun - July 7, 2020, 7:34 am

thanks for sharing, very helpful
