Thread: [O boy this kid :/ \(kid gets arrested\)](#)

Micheal Brown - April 13, 2015, 9:13 pm

So a couple of 8th/9th graders that live in my neighbor hood came to my house today asking if i could buy them some stuff from the smoke shop. I say sure and we make the 10 minute walk over there, so they tell me what they want (ejuice) and the 1st kid hands me his money then i ask the 2nd kid for his money and he hands me a credit card, now this wouldnt be that big of a deal but its not his last name on it. So im like Aaron you want me to pay with a stolen credit card? And he gets all salty he is like im not a fucking thief i didnt steal it, we found it in a wallet at walmart. So i told him i wasnt going to use it and hes like fuck you i will go to a ATM and withdraw the money, so he goes into the gas station and comes back 2 minutes later and says it was asking for a pin and when he asked the cashier for help she tried to take it from him. Im just kinda laughing at this so hes like just use it to buy and i told him no. So he gets real pissed and yells "Fuck you i dont need you, you fucking fag i will go in and buy it myself. I dont care if i have to pay extra its not even my fucking money" so he walks into the smoke shop and after about 5 minutes i decide to walk in and i see him sitting in a chair crying and the guy was on the phone with the police lol, this kid is about to get booked for credit card fraud, anyway i bought the ejuice that kid number 1 wanted and went home ?

tldr: Kid tries to make me buy him stuff with stolen CC then gets arrested

LOL this made me laugh. Either way though you'd be breaking the law because you're buying 18+ things for minors (ldgaf).

Enjoyable story to read. 8/10.

Made up or not, that 2nd kid is pretty desperate. He'll probably be facing a nice sentence.

MysteryHF - April 13, 2015, 9:56 pm

Lol, that's silly. You should not have done that for him though bruh. There are plenty of smoke shops that don't card, at least where I live.

You probably could without getting caught, but don't go in person.

If this is true.

I am glad you used your head. I don't believe people actually think they will get away with things like this. Ignorance is high
