Thread: [\[AUTOPILOT\] EARN \\$20-\\$100 DAILY ON AUTOPILOT](#)

FalconBusiness - April 16, 2015, 6:12 pm

Hey Everyone,

I will be showing you all a method that gets me \$100 daily.
Alright here we go:

1. Create an account here: [ht tp :// goo .gl/ 6VxcID](http://goo.gl/6VxcID)
2. Create an account here: [ht tp :// goo .gl/ UmG3Gv](http://goo.gl/UmG3Gv)

Now go on Hitleap and download the Hitleap Viewer and leave it running in the background.
Add your referral Link from Paid4Clicks to Hitleap. Then use googles url shortner there for Hitleap doesnt ban you for the link.

Leave the Hitleap Viewer running and people will start visiting your websites! Each unique visit will give you \$0,10 and each signup will give you \$1.
Wait 1 Hour Then Check Your Earnings.

Have fun earning money on autopilot!!
Any questions, do not hesitate to ask me!?

Ill take a look at this, I have used hitleap and other pay per clicks, they usually ban you for using a traffic exchange but maybe this site isn't smart enough yet.

It appears I have already used the site but just in 5 mins I made \$0.70

FalconBusiness - April 16, 2015, 6:26 pm

Every click you get 10 cents so just give it out, join large. facebook groups and share out the link to 100k+ people.

what is

Anti-Cheat

Please note that we have a strong anti-cheat system, so do not bother sending fake traffic. You will get credited about it, but eventually you will not get paid and your account will get banned. Only send real people from real pages.

If most of your sign ups are inactive (probably fake), then your account will get banned. We do not to

supposed to mean?

Bro i have fast vps so i can run 10 to 15 vps daily with hitleap , so if i use multiple hitleap they can banned me or not?

Lenchmob - April 16, 2015, 7:13 pm

That means this PTC crap will keep your account alive right till the moment you request payout and they will ban you.

And also most PTC sites are just "fronts" of primitive ponzi schemes. But some people never learn and fall for the same sh!t all over again.
