Thread: [Omnicoins 1st birthday](#)

SIM-2015410 - April 17, 2015, 2:28 am

I just noticed that Omnicoin is now 1 year old, after its launch on 5th April 2014. I know this thread is a little bit late, but it's the thought that counts.

Look how far we have come in only 1 year. OMC is on the rise, and I know big things are still coming!

Thanks everyone for your support ?

Awesome progress in only 1 year. I'm sure we'll be around for many years to come.
