Thread: [FIRST NEW THEME](#)

zapptheman - April 20, 2015, 5:26 am

Hey guys this is the first theme i have uploaded. I do not take any credit for the original design of the theme or the theme itself. I only edited it for an application i was going to release soon. So here it is i hope you guys enjoy it :) all credits that came with the file are found in the code for the theme at the top.

sorry guys it wont let me post pictures or links so the image is at this link just add the http to the link i.imgur.com/kdh53jT.png

Download here --> d01.#.com/dl/EeEPXHh/dark hura theme (beta).vb

virus total -->

Virustotal.com/cs/file/7d1a2ac41dd242d5287ffce320507801944631f9debfdbf32f3c00fdc603eaed/analysis/1429532442/

sorry for the upload link... i wanted an annon upload so if you guys recommend a better website then let me know and i will re-upload

EDIT: if a mod would please review the post and possibly fix the links and image for me it would be much appreciated. Thank you :)
