Amazon is not allowed to be sold here. Kek at your thread.

Absolute Greatest - April 20, 2015, 4:31 pm

Uhh you might want to state your price ???

spidum - April 20, 2015, 4:34 pm

Like the others have said Amazon services are not allowed. You should take down your thread before you get an infraction.

?Fetz? - April 20, 2015, 4:40 pm

I posted before asking if this was allowed and I was told yes.

Please someone link me to somewhere that states this isn't allowed?

Trihunter3 - April 20, 2015, 4:46 pm

Dude you are just taking the money we give you, buying the item, and refunding it. Its not allowed here.

Dude, I think you meant 'you're', Dude.

You're 99.99% likely to be using some sort of SEing method, which is considerably financial fraud.

Even by definition, you're cheating the system by breaking the terms of service of their website to get the product for cheaper.

And, well, with the way you're criticizing members here for judging that this thread is clearly against the rules, I'd suspect it myself.

Pm me or a trusted member your method then and we can vouch that it is not black hat. Otherwise every method for this is against the rules

Not really sure why the method is important anyways. Nor why I should tell you my method. For all you know, it involves educator discount or employee discount?

Sounds like you are unsure. Btw there really isn't a discount on Amazon for employees or educators. Besides mommies and dippers

Rob Ford - April 20, 2015, 6:53 pm

Buy, Refund, I haven't posted on HF in months but this isn't allowed, I know it and you know it too. Fraud

Owen.. - April 20, 2015, 8:17 pm

Kids retarded. I have done this for years, there ain't nothing new about Amazon. In fact, I still do it on the daily - It's my source of income. If you are going to sell it on here, at least don't lie about it. No one likes a liar. Also, staff will close this thread soon, just like the other 700 threads relating to Amazon have been closed.

Also, try reading the rules:

"Due to the heavy amount of fraudulent deals around Amazon. We do not allow any sales, trades, or marketplace activity based on Amazon. No exceptions. "
