Thread: [Official Group "Zed" | Group Graphics Request | \\$100 + Membership](#)

zSerity - April 20, 2015, 3:30 pm

As you may have seen, I recently stated that this group may be called Zed, while that still may be true, I will now release information about the group itself.

Zed will be another entertainment (film and music) group like Studio was. Therefor, a userbar that represents that would be ideal.

I need A userbar (+ a bigger variant for a header)

A forum icon

Thread spacers

THIS HAS NOTHING TO DO WITH LEAGUE OF LEGENDS, SO DON'T ADD ANYTHING TO DO WITH LOL

Here are some pictures of inspiration:

<https://gyazo.com/2fed4703efe087044a3e7f5d042caceb>

Also I'm not just looking for abstract userbars like void, or a smudge like nightfall, I'm also interested in other types.

The reward is \$100 + Group Membership

Feel free to also discuss the group on this thread. :)

Astute - April 20, 2015, 3:32 pm

zSerity's looking for some good graphics for Zed.
