GhostClient Wanted - April 21, 2015, 9:42 pm

I was wondering if anyone knows how to code a ghost client for minecraft and ect... items if you can. i might be able to pay you... hit me up with a reply tho.

Voxfames - April 22, 2015, 12:40 am

Minecraft is coded in java try the java section

Mouse? - April 22, 2015, 7:02 am

No. He should first check out the spelling section. I thought he was talking about cod fishing, then his message talked about programming. I was disappointed.
