Cats in space.

Not even kidding.

Overdone design tbh.

If I made my own shirt, it'd have some subtle wording. On some streetwear shit.

SawCyanic - April 23, 2015, 12:48 pm

I'd make some kind of abstract square or some kind of 3d object.

G???????f????s? - April 23, 2015, 12:48 pm

I would legitimately just put a dick on a t-shirt I made.
