Ok so if I can't get this done, I'll most likely fail my grade... Again.

PART ONE

Monday: Identify each word's part of speech.

my family went on a camping trip near the redwood forest buy my sister hates camping

Tuesday: Identify each clause in the sentence and what type of clause

my family went on a camping trip near the redwood forest buy my sister hates camping

Wednesday: Identify all subjects, predicates, indirect objects, and direct objects.

my family went on a camping trip near the redwood forest buy my sister hates camping

PART TWO

Monday: Identify each word's part of speech.

although anika hasnt been to lake tahoe the smiths like to go there often

Tuesday: Identify each clause in the sentence and what type of clause

although anika hasnt been to lake tahoe the smiths like to go there often

Wednesday: Identify all subjects, predicates, indirect objects, and direct objects.

although anika hasnt been to lake tahoe the smiths like to go there often

Are you in 7th grade?

This will literally take you 15 minutes MAX if you actually try.

Crowley - April 23, 2015, 7:43 pm

Lol this is 5th or lower grade English... My little brother can finish this in a hour or two... But hey good luck with this! Hope you get your answer ?

JiZZBERG - April 23, 2015, 8:01 pm

Mate thats really easy. But if ur english is too bad, u can google this easy !

Chinatsu - April 25, 2015, 12:24 am

I'm in grade 11 and I've never seen this in my life...

Grin - April 25, 2015, 12:25 am

What type of educational system are you being taught?

Where do you live?
