Two spots are available as of now and will be the last two slots being sold for the mentoring program. They'll each be \$300 USD paid via BTC, I won't take Paypal since I don't have one anymore.

Your money will go towards purchasing an additional sub-forum within Null for Black Hand and purchasing any needs mentors require to educate you.

This programs recruitment will resume again in July/August till then all applicants best of luck, you'll be the face of the return of Null so do your best. I will also mention the name of all the members being mentored at the closing of this thread.

Rules of engagement with Null:

Have a clean record, meaning we shouldn't find unresolved disputes against your name. If you've been found with a scamming record after your acceptance into Null, you will be removed from the group and not be provided a refund. (Honesty is key here, we'll check twice)

Missing six(6) classes/sessions without a make-up or notifying a mentor will get you removed. Maximum number of absents before removal is nine(9), if you don't have time wait till you have time or arrange a session on the side with your mentor.

Involve yourself with Null discussions, your input is needed on certain things. Null is group of motivated individuals, the leaders aren't the only ones who make all the calls. Don't be a stranger, we're not a lounge group but we welcome people with open arms and strive to build a strong community of brilliance.

Your actions reflect not only you but us as well when you wear the userbar, think before you act and think things through.

Upon being invited you will be told to wear a specific usertitle depending on your position, this usertitle cannot be changed, in due time you'll be told when you can remove the usertitle when you become a full time member. This is a permanent position, so do not fuck up if you're accepted.

This is a great group and a great program, their teachers are the best around. If I had the money to spend, I'd do this everyday. Good luck Nobility.

Honestly, take this chance as the slots are cheaper than previously. This is an opportunity and you won't have second doubts after joining the program.

Being in this group is privilege, don't miss this chance guys. ?

Nobility - April 27, 2015, 4:25 pm

Giving this since I'd like the two students to join together and take lessons together.

Happeh - April 27, 2015, 7:57 pm

Great opportunity and if I had the money I would join.

Good luck Nobility.

Good luck to those who buy spots into this program.

Definitely would be worth the \$300, I just don't have the money to spend on it.
