Thread: [YouTube Mp3 Downloader](#)

xeinebiu - April 25, 2015, 9:16 am

Hello Guys ...

I am opening this thread to share this source , hope it will help someone ...

I have developed this APP to V3.0 and now i dont have enough time ...

Version 1.0

Features :Multiply Mp3 Download

Information About Downloading

Version 2.0

FeaturesThumbnails View

Total Bytes Downloaded

New Window

Tabbed Control

Multiply Download

Version 3.0

FeaturesNew Interface

Tabbed Control

Multiply Downloads

Downloads View

History

Music Manager (Copy , Rename , Delete)

Options (Download Location , Minimize Button , Window Location , Notifications)

Total Bytes Downloaded

Total Song Downloaded

Thanks for the tutorial homei, going to be useful :)

nuk - April 29, 2015, 2:42 pm

Pretty nice by the looks of it ;) Thanks for the share ;)

L33TPr0xY - April 29, 2015, 4:44 pm

nice im downloading it now thanks

nvm it wont open up i get an Error saying (These files could not be found and will not be loaded) but thanks anyway OP.
