Unmasking's review of this method:

I can confirm I am not affiliated with the method author in any way.

Quality of the ebook: 10/10

Good quality. Nothing wrong with it at all.

Grammar used in this ebook: 10/10

Really good grammar. Can't see any wrong spells.

Ease of Use: 10/10

It tells you all the steps on how you do it. Easy as pie. If you do it as said, you will sure success.

Design/Layout: 0/10

There is no design, because it ain't a .psd file.

Overall score: 10/10

Great method. Everything is spoon feed and this is really noob friendly. Even a 10 years old could do this.

(Apr 25, 2015 03:48 PM)Unmasking Wrote: [\[CITE\]](#) I would happily take a vouch copy. I will leave a honest review.

Sent! ???

**Purist** - April 25, 2015, 3:55 pm

I can take another vouch copy if you would like.

**hackscamslasher** - April 25, 2015, 4:00 pm

Sent the vouches !!

Still looking for sales !!

**Casads** - April 25, 2015, 4:01 pm

If you have any more copies left i'll leave a review of it. If not GLWS

(Apr 25, 2015 03:34 PM)hackscamslasher Wrote: [\[CITE\]](#) This is a guide on how to get cheap uber rides.

Requirements -

\$6 to invest into 10 rides

The rides can be any miles/time.

\$30 BTC

Giving out 2 vouchs

Guaranteed to work or your money backI received a vouch copy from OP and I am in no way affiliated with him.

I was going to do a big ass review, but considering how small and effective it is, I wont.

Method works and will always work. You do have to invest a small amount but considering the trips you'll be able to do it's worth the price.

Vouch for OP and I recommend buying this  
this. I might even try this soon as I have to do a long trip to my cousin's house.
