Thread: [\[IDEA\] GIVING AWAY 1337 And UB3R \[IDEA\]](#)

khvex - June 13, 2010, 6:44 pm

Okay well I've got an idea that will help the community out by buying certain people 1337 or Ub3r. Play Asia is a store that sells imported, games, music, books, toys, anything really at low prices, For every sale made using my sig, I will receive a 12% commission so we only need 2 or 3 sales to be able to purchase someone an upgrade.

Righteousness - June 13, 2010, 6:55 pm

So, we click your sig, than we go ahead and then buy something, so that you get commission, and than use that money for 1337/uber?

This seems like a good idea,there is quite a few member's who deserve l33t.

:O, that sucks what if one person buys a lot of stuff, and doesn't get one single vote...

No you don't get a nomination spot by buying from the site. He's basically advertising the site because it's a cheap place to buy from. In return he gets commission which will go back to HF.

nice idea, this would help many deserving members

No, because if you have enough money to buy from the site, then you have enough to buy l33t.

VanquishUK - June 17, 2010, 8:36 am

I would be very thankful if you got me U3ER :P

xSiik - June 17, 2010, 4:25 pm

I understand you'r using the commision to help HF but, if people have enough money to buy these items and games they would have enough for L33T or Ub3r.

Just saying bro.
