Not to be a dick head, But I thought this was a giveaway lol, Not when we add you on skype you say "Welcome to Insanity Skype bot!  
To Purchase Premium message me on Skype: Sentencing \$5 / BTC or PP!", Its just if you want to sell something move the thread to the sellers area.  
Sorry bud?

No worries, I understood that, If you don't mind editing that you are out of slots but people could try out the free features that would be great. Easier for people to understand what they are receive.

PS: Thanks for doing this. ?
