I HAVE FULL PERMISSION FROM LESLEY (CREATOR) TO RESELL!

Hey guys, I am currently selling my source for my skypebot. If you want to test it out, you can simply add "twitchraids" on skype and you can test it out!

Source = \$25.00 Paypal or Bitcoin

Exe = 10.00 Paypal or Bitcoin.

Private API's = \$2.00 Bitcoin

I will only go first for members I deem trusted.

[WARNING] Sharing the private API's will result in API keys banned and scam report.

T.O.S

No Chargebacks = Scam Report, key banned

No Refunds = Scam Report, key banned

No cracking/sharing = Scam report, key banned

No Sales thread bashing

Support is via Pm or skype

Skype: twitchraids to test.

Hello,

I'm the creator of SkypeBot,

I know your name on skype is: twitchraids

But do you still have the conversation where I said I permitted you to sell it? Just asking, it can be that I gave you permission, just respond for a sec. (I'll delete this msg)
