This most likely won't get resolved. How sad for someone who makes a "6 figure salary" to scam for .5 BTC

OP also include the amount you've been scammed on the thread title

Rice - April 27, 2015, 10:35 pm

Thanks for letting me know. First time scammed haha.

Eddie - April 27, 2015, 10:37 pm

People like this make me feel like this ? smh

Maximum - April 28, 2015, 12:27 am

You should provide more information like PMs confirming that's his skype.

Rice - April 28, 2015, 4:27 am

Posted proof it's his skype.

madaZ - April 28, 2015, 4:31 am

Legit Report man good luck get his ass banned

Dan Smith - April 28, 2015, 4:59 am

He says he made \$300k and scams for 0.5 BTC? Seems super legit.

taap - April 28, 2015, 5:41 am

Yeah exactly.. people need to open their eyes about this guy. He has tried SO HARD, to get me to delete the scam report thread I have up, why? because he can then go continue scamming.

Watch out everyone!

?Plutus - April 28, 2015, 6:12 pm

Seems like a legit report... So sorry for these scammers OP... Hope this somehow gets resolved... If not, karma's a bitch :D

Circular - April 28, 2015, 6:37 pm

Knew he was a scammer, there was a reason I posted on his thread advising a MM. Good luck in recovering funds OP

Rice - April 28, 2015, 6:39 pm

Threatened me for warning members?! What logic is that.
