So I was selling N20 aka Laughing Gas, when this women came up to me. I sold one pattern for €3, 2 for €5 and 4 for €8. I was negotiating with her while her crackhead daughter that was around 16 years old stood up yelling amounts and prices, like 12 for €5 and things like that. When it started to irritating, the women spit her own daughter in her face, after that she started to crying and the women was still negotiating with me. After that she had purchased the balloons, her daughter consumed one and started laughing and stripping. That made my day.

Happy bday! (I'm in GMT+2)

SPELL CHECK

To:

A guy texts his neighbor -

Bob,

I'm sorry. I've been riddled with guilt and I have to confess:

I have been helping myself to your wife when you're not around, probably more than you. I know it's no excuse, but I don't get it at home. I can't live with the guilt any longer. I hope you'll accept my sincerest apology. It won't happen again.

The man, feeling outraged and betrayed, grabs his wife from the bedroom, and without a word, tosses her out!

Moments later the guy gets a second text

:

I apologize again, I really should use spell check!

That should be "wifi".....Sorry!

SomeHilariousMothaFuka Wrote:A businessman was getting ready to go on a long business trip. He knew his wife would have a hard time being faithful while he was gone so he decided to go to a sex shop to find something to entertain her. As he browsed through all the different toys the old man behind the counter asked if he needed help. He explained his situation and the old man said, "Well, I don't really know of anything that will keep her occupied for weeks, except... ahhh... never mind."

"Except what?" the man asked.

"Nothing, nothing."

"C'mon, tell me!"

"Well, there is VooDoo Dick."

"What's VooDoo Dick?" the man replied.

"It can't be described" said the old man, "it can only be witnessed."

So the old man reached under the counter, and pulled out an old wooden box, carved with strange symbols. He opened it, and there lay a very ordinary-looking black dildo.

The businessman laughed, and said, "That's it?"

The old man replied, "But you haven't seen what it'll do yet." The old man pointed to a door across the room and said, "VooDoo Dick, the door."

VooDoo Dick rose out of its box, darted over to the door, and started screwing the keyhole. The whole door shook with the vibrations, and a crack developed down the middle. Before the door could break, the old man said, "VooDoo Dick, get back in your box!" VooDoo dick stopped, floated back to the box and lay there, quiet once again.

"I'll take it!" said the businessman. The old man resisted, saying it wasn't for sale, but he finally surrendered to \$1000 in cash. The guy took it home to his wife, told her it was a special dildo and that to use it, all she had to do was say "VooDoo Dick, my pussy." He left for his trip satisfied that things would be fine while he was gone.

After he'd been gone for a week, the wife was unbearably horny. She thought of several people who would willingly satisfy her, but then she remembered VooDoo Dick. She got it out laid down on the bed and said, "VooDoo Dick, my pussy!" The VooDoo Dick shot to her crotch. It was great, like nothing she'd ever experienced before. After three orgasms, she decided she'd had enough, and tried to stop it, but she couldn't, her husband had forgot to tell her how to stop it!

She decided to go to the hospital to see if they could help. She tried to get dressed as best as she could with a skirt and a top, but VooDoo Dick just wouldn't stop and she had yet another orgasm, weakening her knees.

Finally she got her clothes on, made it to the car and started to drive to the hospital. On the way, another orgasm made her swerve into oncoming traffic, then back to her side of the road, narrowly missing a car. Next thing she knew there was a police car behind her with it's blue lights flashing. The police officer asked for her license, and wanted to know how

much she'd had to drink. Gasping and twitching, she explained that she hadn't been drinking and tried to explain the problem of VooDoo Dick.

The officer looked at her for a second, and then said, "Yeah, right lady, VooDoo Dick, my ass!"

Some employees bought their boss a gift for his birthday. Before opening the gift, the boss shook it slightly, and noticed that it was wet in the corner. Touching his finger to the wet spot and tasting it, he asked, "A bottle of wine?"

His employees replied, "No."

Again, he touched his finger to the box and tasted the liquid. "A bottle of scotch?"

His employees replied again, "No."

Finally the boss asked, "I give up. What is it?"

His workers responded, "A puppy."
