Thread: [Get FREE likes, subs, followers, views. METHOD](#)

CJamie - April 29, 2015, 10:00 am

Hey HF!

Want to get free likes,subscribers,followers,views?

1 : Register at <http://www.truelikes.net/>

2 : Go to <http://www.truelikes.net/coupons.php> and redeem this coupon code "6392-4224-9392-5565" you will get 500 coins.

3 : Then go to " Add Page"

And then add your link to any social media network.

4 : Done! :D

You will get free likes, subscribers, followers, views!!

Note: I made this site, and it's new so please be patient. That coupon code will not last for long, so if it doesn't work, i'll add a new one. Please Say Thanks to keep the thread alive, Thanks!!

I almost bought the PES pro script too.

<http://mn-shop.com/powerful-exchange-system-pro>

Then I found out its a super saturated script. Anyhow, good luck with this! ?

Did you just ask for reputation 3 times? Yea that is definitely not going to turn out in your favor.
It states you can't hint for reputation, which you pretty much does with these posts.

You're welcome guys! Feels nice that my website has helped many now.

Lazixo - May 11, 2015, 9:25 am

Thank you for sharing i'll try this method.

SIM-1929196 - May 11, 2015, 9:31 am

Thanks for the method, it's just a shame you leeches it from another forum...
Also that you pretend that you own the site when the true owner is Zhir...
