Resources for fonts, c4d's, renders, tutorials and stocks!

Photoshop is a great tool for gfxing, I myself use Photoshop CS5
You can purchase it at adobe.com, or just torrent it. I wont go much in to that though.

People that already photoshop here are some fresh resources!

Section 1, stocks

Section 4, Fonts

I truly hate font packs, so here are some of the best websites where you can find tons of fonts.

Font websites:

<http://www.fontspace.com/>

<http://www.dafont.com/>

<http://www.fonts.com/UsefulLinks/FreeFonts.htm>

<http://www.abstractfonts.com/>

<http://www.1001freefonts.com/>

<http://www.urbanfonts.com/>

Section 5, Tutorials

Tutorial Website list

<http://www.sigdtutorials.com/>

<http://www.deviantart.com/>

<http://www.gfxvoid.com/forums/>

<http://www.signaturestop.com/>

<http://www.tutzone.org/>

* <http://www.gfxrebels.com/>

And also make sure to check out youtube, people post tons of tutorials on there!

Do you know a great website I didn't mention? Post it below!
