Grammar 10/10

I didn't notice a single grammar mistake.

Content: 10/10

This eBook is 28 pages long so it's pretty lengthy but it includes 10 methods to gain access to somebody's facebook account. At first, I thought it was going to be some kind of social engineering eBook but it is not! It has 10 unique methods to gain access and I'm pretty sure you could jack almost any facebook account you want with one of them. It also tells you how to secure the account after you have jacked it to stop the owner claiming it back. I'm actually amazed at some of the methods in here!

Originality: 9/10

I only marked it down to 9/10 because I knew one of the methods already haha maybe I'm being a little harsh ? Some of these methods are 'advanced methods' but Damien gives simple steps to follow so anybody can do it.

Layout: 10/10

Very simple design, its nice and neat. The font is nice and the size of the font is a decent size so you don't get lost when reading it. He includes plenty of screen shots to help you with the steps.

Overall: 10/10

I'm not going to mark the over all down simply because I knew of one of the methods, the other 9 sure as hell make up for that.

Personal message

I strongly advise people to buy this method. For \$10 (currently 75% off) it's a steal! You'll make that back on the first account you jack if you plan on selling them. Social media accounts sell for high prices if they have a large group or page on them. Even if you just want to learn how to jack accounts then \$10 is a VERY cheap price for all the information you get. GLWS dude!

(Apr 16, 2015 05:30 AM)JakeFPS Wrote: [\[CITE\]](#) Vouch for Damien! He always sells nothing but the most high quality products!

Get this while you can!

(Apr 16, 2015 06:19 AM)JGPyramids Wrote: [\[CITE\]](#) High Quality User, I vouch for this product and highly recommend it:)

(Apr 16, 2015 07:55 AM)Raymond Reddington Wrote: [\[CITE\]](#) Vouch for Damien. He is legit as fuck.

(Apr 23, 2015 08:46 PM)kitsunetenshi Wrote: [\[CITE\]](#) This seems interesting..and one cannot beat 10 dollars for a book. Should be an entertaining read :D

I was correct, it was an interesting read! It was very clear and doesn't bog the reader down in technical terms- even a noob like me could follow it. Now if you excuse me, I'm going to go play and see what I can jack ? Thanks again Damien and I hope more people will buy this very informative book!

(Apr 24, 2015 07:09 AM)Raz3r Wrote: [\[CITE\]](#) Vouch for Damien and he products.

(Apr 26, 2015 01:11 PM)kitsunetenshi Wrote: [\[CITE\]](#) I found this very informative and like how well you were able to explain things without losing any beginners! Thanks~

(Apr 26, 2015 06:47 PM)Kasthorn Wrote: [\[CITE\]](#) This isn't just for their Facebook, I wasn't saying that was the only sole purpose of doing this. There's other options out there to try but this is my method I have tested and used with success.

(Apr 27, 2015 04:27 PM)t0mmib0y Wrote: [\[CITE\]](#) Thank you, this is great! Very easy to understand, and now I know what I need to learn first. Thanks!

(Apr 28, 2015 01:37 PM)tmarsh_ Wrote: [\[CITE\]](#) Bought this last night and I have gotten a facebook and instagram account with this method! :D A must purchase

(Apr 28, 2015 11:31 PM)mkwifeyy Wrote: [\[CITE\]](#) Got 5 facebook accounts with this method. :) Thanks.

Matt Bomer™ - April 30, 2015, 7:20 am

That's a shit load of vouch copies buddy. GLWS!

Bet - April 30, 2015, 11:53 am

You and your friends have been selling this eBook on the marketplace each three times, a week each.

Not trashing sales, but other threads have negative reviews on this. Is this updated?

DamienVC - April 30, 2015, 12:03 pm

Not trashing sales, but other threads have negative reviews on this. Is this updated?There isn't a negative review leaving the fact that someone is fake vouching on the thread.

Resell rights to the projects have changed hands for the time being, But seeing a random comment from a person who didn't buy at all? Lol.

Iphone - April 30, 2015, 12:07 pm

comment removed - ignore. Thanks

DEAL WITH CAUTION

Closed, sorry.

That was regarding another eBook, and not ours.

meethajutt - May 3, 2015, 12:20 pm

Do this cracker will be 100% sure to crack the targeted account ?

mkwifeyy - May 3, 2015, 3:26 pm

Not a cracker, it's an excellent ebook though. Helped me tons :)

jojo3665 - May 4, 2015, 6:54 am

Vouch for him

Hq quality content

And 10\$ today woop woop

DamienVC - May 4, 2015, 8:59 am

Thanks for the vouch.

PayPal is temporarily removed as a payment method.

Amateurcracker1 - May 5, 2015, 1:15 pm

If anyone can give me real fb accs or can help me crack my list (or part of my list) I will be very happy and will pay 100usd. Please send me a pm

Contacted you about this, sales are still open. ?

Thanks for the vouches guys, sales are still available for a few days till I close sales on these products.

Get your copy while you can!

Adel1990 - May 6, 2015, 3:03 am

I need hack a specific facebook account....Does this program work ? Should i buy it ??

I am tired of buying programs nothing is working for me
