Thread: [Sales Tag Price Reduction](#)

Omniscient - May 1, 2015, 12:38 pm

I have lowered the price of the Sale Tags for threads from \$6 OMC to just \$5 OMC.

<https://hackforums.net/salestag.php>

So far I consider the new feature a success.

Enjoy and thanks.

Raz3d - May 1, 2015, 12:39 pm

\$1 is still a difference, and I still find it reasonable to buy. Thanks for lowering the price.

HACKED - May 1, 2015, 12:47 pm

Nice movement. In my opinion \$5 for a sales tag is surely a really appealing price.

Repeat - May 1, 2015, 1:35 pm

Can't use it but this will make a few more pop up for sure.

Vitani's Mate - May 1, 2015, 1:35 pm

Not bad I guess.. \$1 reduction isn't to drastic but still.. It is good.

NTTITONV144 - May 1, 2015, 1:45 pm

\$1 is alot of money because eventually it adds up..

J. Lewis - May 1, 2015, 1:49 pm

Finally, \$5 seems perfect for one week sales tag to be honest.

Cryptic™ - May 1, 2015, 1:51 pm

If anyone wants the latest exchange rates for various coins to OMC, you can use

Finally? Were you counting down the hours for the sales tags price to be reduced by \$1? You got any hobbies m8?

Zone Sirius - May 2, 2015, 3:53 am

Most people here just post to have something to say to Omni's threads.. meh. No big difference in the price, to be honest besides the bastards who needed \$1 more for the \$6 price tag.

Kogan - May 2, 2015, 4:22 am

I think \$5 sounds more clean.

Can we additionally have the option to purchase the tags for say 1 week, 2 week, 4 week or 6 week blocks? (with say a discount if you purchase for X weeks)

Seems like you're trying too hard to be funny, here have some laughs 'ha ha ha'.

Not at all actually, I was genuinely asking why you were waiting for the price to drop \$1? [Without possibly knowing it was going to happen at all] Or if you just wanted to post in an omni thread so bad you threw the first words that came to mind out regardless of how dumb it made you sound.

Have a good one ?

It was pretty funny though. ?

DamienVC - May 5, 2015, 4:01 am

Cool, just ordered one. Nice!

Comedic - May 5, 2015, 6:01 am

Any amount of price reduction is good. Nice update.

Private Network - May 5, 2015, 6:02 am

Omniscient is probaly swimming in cash of Witza
(not saying he doesn't deserve it)

Musketeers - May 5, 2015, 8:37 pm

It's time for me to grind some BTC & OMC. Thanks for the reduction :D

Quiver - May 5, 2015, 8:41 pm

Much better than what the original price was after you removed the "lifetime" feature haha.

Tiszy - May 9, 2015, 1:01 pm

I just refreshed, and saw that I had no salestag...

I see its \$5 a week, but can you buy like 1 month, is that possible?

\$18 a month would be awesome.

Currently setup on a per week basis but I plan to add a multiple week option. Probably just 4 weeks at \$16-\$18.

Ok, that would be great if you do so ?

Comedic - May 9, 2015, 4:02 pm

Thought there was another reduction but someone ed this >.<

Blazin - May 11, 2015, 3:54 pm

Would be cool if you could use multiple coins for this like BTC.. or even paypal but maybe this is a OMC exclusive feature only and will remain that way.

Either way good update and nice on the price reduction maybe when people buy sticky's you could add in a bonus option so they can add another 5\$ for a title image instead of making two transactions IMO. Nice to see updates rolling through though :)

Omni is trying to make a rise in use of OMC. epic, sales tags and I think he will be adding much more things you can do with OMC around here.

I might allow other cryptos for this eventually. Likely not PP though.

Yeah adding even the BTC Crypto would be nice and you could still promote OMC by maybe offering a discount price compared to paying with BTC.

I'm sure whatever you decide will be good though.

Suits - May 11, 2015, 4:22 pm

Awesome! Just purchased my first sales tag.

Business - May 12, 2015, 1:43 am

I don't personally use it, but the new feature is great. Reasonable price as well.

Prince™ - May 12, 2015, 8:05 am

Honestly, they look so appealing to the eyes that any sales owner would love to purchase it to their

sales thread. Good feature Omni and thank you for the price reduction as well.
