I havent stepped into the skype shows yet. I guess you can make more but kik is just easier, i can do it while i'm watching a movie or playing a game. I dont have to look at too many penis' either as well as run a VCW for 10-20mins

But shows do pay much more man! and you can be making 100+ from one sale!

Just a little bit of motivation for you guys.

Literally this deal and payment recieved in 5-10mins.

There's still alot of innocent people who are willing to pay shitloads!

Can I possibly have your picture pack? Mine's not that great but I still make like 20 - 25 dollars/day
