This is a PUBLIC method which was previously giveawayed here:

<http://webcache.googleusercontent.com/search?q=cache:https://hackforums.net/showthread.php?tid=4594512>

This method was giveawayed for free to everyone by Orchid and not even worth money as its proven to be a PUBLIC method!

Stop scamming people with a PUBLIC method!
I PM'd Arrow Regarding this. Hoping to hear back

It's funny how you people are influenced by anything a person says.

Orchid had sold the ownership to DamienVC, who later sold it to me.

The thread that the little bastard, Iphone links to, doesn't not even exist anymore
