Thread: [Scammed by "Payne" \[UID=2548722\]](#)

Marshall Mathers - May 8, 2015, 11:10 am

So this guy bought my EUW LoL account for the price of 22\$.

A few days later he hit me up that his PayPal account was hacked, I gave him 5 business days and told him that he should give me my money back now or I was going to be opening a deal dispute. Then I found out that I am on his ignore list.

Screenshots, proof. [\(Click to View\)](#)

Goodluck.

I just wrote that? It was when he bought it, also gave him a +3 which I will change tomorrow, given too many rep points for today.
