Particles etc.

You can't do a lot on a 120x150 layer...

Arctic Wolf - May 9, 2015, 7:04 am

Okay so,

You want me to kind of make it like your signature?

Bo Burnham. - May 9, 2015, 7:04 am

Vouch for this guy thanks a lot !

Larsenpower - May 9, 2015, 7:06 am

Type of work (Signature ect): Avatar

Description of the Graphic (Please be exact): An avatar including either the letter L or LP

Color scheme: Would be cool if it could match my signature, so blue :)

Preferred size: Can't remember what the limit for avatars are, but I believe 120x150

Animated (yes or no): Animated please :)

Sakawa - May 9, 2015, 7:11 am

I'm gettin' bored of Homer, I trust in you. :)

Type of work: Avatar

Description of the Graphic: Put a character of your choice. :)
Color scheme: shades of gray, possibly with darker details.
Preferred size: Possibly a square. 120x120 is fine.
Animated: No.
