Can I enter for both?

I'll change my signature now :P

I'd love to get mentoring but I've had 2 ppl that were supposed to mentor me, they both ditched me
cuz they think I ask too many questions >_>

Hope you won't be #3 :x

Fr?sh - May 12, 2015, 6:08 am

im renting my sig out or i would

Matt Bomer™ - May 12, 2015, 6:11 am

I'll wear your signature, I am more interested in your mentoring. Want to learn methods earning
online.

Rally the Bulls - May 12, 2015, 6:13 am

I'll wear the sig, I don't do anything with my sig space anyways. Is putting a "do not endorse
product/seller" line against the contest rules? Nothing personal. ?

I'm not forcing you to not do that, would be a gesture to just keep the signature like that though. ?

Rally the Bulls - May 12, 2015, 6:25 am

Wasn't for me, just a question. I'd much rather keep the current message to the blue loungers in my

sig than worry about that.

The answer is no then, it's not against the rules.
