Thread: [GFX Packs \(Inc C4D\)](#)

ZALTY - May 12, 2015, 3:08 pm

Just something to pay back the community, has lots of my work / photoshop designs and also has got around 4 gfx packs, a lighting pack and a space light feature pack, also has got lots of fonts and backgrounds + some hd pictures used for masking // overlay (screen). Also has got a free version of C4D and some lightrooms // text templates for you to use.

PM Me for this pack!

Thanks enjoy :)
