I used to skateboard years ago.

I just don't have the time or drive to do it anymore.

TBE ClockWork - May 12, 2015, 7:35 pm

I use to skate a shit ton actually. I could do a lot of tricks it was my life for about 3 1/2 years. My best trick was probably a tre flip or a fakie varial kickflip

Ye I skate. It finally got warm here so I can skate daily. I wanna get a new skinnier deck. I currently ride like a 8.25 and I want an 8 lel

Hoping to get some kewl shit down by the end of 2015

Japanese - May 12, 2015, 7:42 pm

It woulda been a sick skate line 4 real. Or if he nose-mannied after that no-comply (I think that's what it was) and then landed it. Woulda been super sick bro

Dr.Penguin - May 12, 2015, 7:46 pm

I skate a bit but my city's skate park is way to small so most of the skaters skate at safeway.

Redwall - June 30, 2015, 12:22 am

Going to the skate park tomorrow, going to grab another line.
