Thread: [MAP for RAT SRC\[vb.net\]](#)

xVipX - May 15, 2015, 4:21 am

hey HF this is simple tut it about haw to add map for u app or your RAT

1-add text box

2-add butoun

3-add picturebox

[img]http://up.dev-point.com/uploads1/1e26aff521811.png[/img]

add this code in butoun

Code

```
PictureBox1.Load("https://chart.googleapis.com/chart?chf=bg,s,000000&chs=420x220&cht=t&chco=00000030&chld=" & TextBox1.Text & "&chtm=world")use:
```

france=FR

and for show more country : FR|DZ|USA

this src by me :)

good luck

dont forget credit !!!!!

Just like njRAT 0.6.4, That's good (y) Thanks!

nathan72389 - May 15, 2015, 11:42 am

Wonderful now I know how to show a picture in a picture box. Where has this tutorial been all of my coding life?
