Thread: [Backlinks list](#)

ryan786 - May 15, 2015, 5:42 am

Hi guys I have a backlinks list which are dofollow . Some of them won't work but something is better than nothing .

If you are struggling for those you can post here and PM me.
??

Im not trying to sound ungrateful or like a dick. But of people use low quality backlinks it will degrade their rank. (from what I've heard, correct me if I'm wrong)

Those are EDU backlinks plasmacell , I don't really know what type of backlinks degrade the rank , but I used them too

Ah I see.

I'll shoot you a PM, is there a chance I can get this?
