Thread: [BinaryPRO - Learn to use Binary Options and Double your Money - PROOF - Support](#)

Honeybun - May 17, 2015, 12:57 am

Profit Proof!:

VOUCHES:

Quote:Hello Hackforums users my name is [Dragnite](#) and this is my review of BinaryPRO. Please keep in mind that this is my strict opinion on this e-book and will vary user to user. In no way does this my review vouch for the seller or the validity of the e-book contents. All e-book sales are at your own risk.

Title: [BinaryPRO - Learn to use Binary Options and Double your Money - PROOF - Support](#)

Pages: 7

Author: [Honeybun](#)

Reviewer: [Dragnite](#)

Quality:

The overall quality of this eBook is quite high, it's straight forward and isn't designed to confuse the reader or throw them off, the general English and grammar throughout the book is of a high standard and doesn't look like it was written by a young child.

Layout:

This eBook is quite easy to follow and isn't hard to complete, the eBook provides an easy to follow layout with instructions and pictures for the reader so to make the process easier to complete, if you purchase the Advanced package you will receive support via channel of your choice e.g Skype or PM if you get stuck.

Grammar:

The overall grammar of this e-book is good, there were 1 or 2 mistakes that I could spot but in no way do they have an effect on the readability of the eBook.

Originality:

Personally I have never heard of this method and seems to be quite original to me, the idea is definitely a good one and will provide profits if done correctly, the book itself provides a guideline to make money but can be altered to your liking if you see fit to do so.

My thoughts and comments:

This does require a minor investment but to what you can make from that investment I would see it being worthwhile to invest into this eBook and what it provides.

Even more!

ToS:

Spoiler ([Click to View](#))

1: Do not leak this method. If you do so, a scam report will be opened.

2: Do not charge back. A scam report will be opened if you do so.

3: I ONLY deal on Hackforums. Support will be provided elsewhere.

4: I cannot promise profits as this is considered investment and I am not responsible for losses, nor do I promise gains.

5: If you wish to upgrade from the basic package to the advanced package, you do not need to buy the advanced package at full price. The price of the basic package will be deducted.

I can Vouch for this chill member.

Dope bro! ?

Dragnite - May 17, 2015, 1:14 am

You give no mention of vouch copies so I am posting to inquire on the status of them, do you have any vouch copies or review copies available for members you deem trusted or anything of that nature?

Edit: Thank you for providing profit proof as I requested.

Honeybun - May 17, 2015, 1:20 am

Edit: Thank you for providing profit proof as I requested. A vouch copy of the advanced profit will be provided to a few highly trusted, long term members, like yourself.

Well if I am eligible please PM me a copy of this and I will take a look at it, would this eBook require support if so what support is provided? Would support be provided on-site or via PM?

Support is provided with the advanced package - it is given through Skype Text/Voice, whatever you prefer.

Your copy has been sent.

I am posting to confirm I have received my review copy of BinaryPRO Advanced Package, this post will be edited with a review after I have gone through the method and asked questions if I feel they are necessary.

Review is in here. ([Click to View](#)) Hello Hackforums users my name is [Dragnite](#) and this is my review of BinaryPRO. Kify - May 17, 2015, 3:10 am

Are you giving out anymore vouch copies? i will write a detailed and HQ review

LaFerrari - May 17, 2015, 3:39 am

Vouch for my bro, this method makes him able to buy enough weed for a few years.

Berry Fusion - May 17, 2015, 7:46 am

Vouch for HoneyBun, high quality user selling a high quality product

Mi2414 - May 17, 2015, 12:01 pm

Vouch for my man honeybun! Very HQ too! You won't be disappointed, GLWS bro! ?

Meterpreter - May 19, 2015, 5:15 am

Vouch! Very high quality and detailed ebook. Well worth the \$45 for the advanced package.

ayamas - June 29, 2015, 4:01 pm

Is this method unique? Does this involve any martingale?

Honeybun - June 29, 2015, 7:41 pm

This method is completely unique. Its hardly a method, more instructional than a method. We're teaching you private secrets & tricks.

Hound - June 29, 2015, 11:30 pm

What's the difference between your Binary Options method and 99.999999% of the other shitty methods?

Honeybun - June 29, 2015, 11:33 pm

(Jun 29, 2015 11:30 PM)Hound Wrote: [\[CITE\]](#) What's the difference between your Binary Options method and 99.999999% of the other shitty methods?

Its a pretty simple answer.

Those other writers use binary options for five minutes and say 'wow this is easy im so pro.'

We've been doing this for about two years.

Hound - June 29, 2015, 11:51 pm

Rightttttt.....

Good luck.
