lyrics ([Click to View](#))

Now Clark's a real nigga

I gotta admit

He can bust a few bars

With his knowledge and wit

But I swear I'm quite surprised

He took the time to spit

Cause he's usually too busy

Suckin Grin's dick

And my dude illoominati

Is somewhere in the mix

One day just hit me up

And we'll smoke a few bricks

But I swear if you act tough

You gonna get hit

Because when I get mad

I see more red than -Nyx

Boxxxxy's hittin bars

Thinking he's the shit

Too bad he only makes his money

When he's actin like a bitch

And to Repeat the dude

Who's always reppin six

You should act more like your mom

And never spit

And please don't think that I forgot about Prada

He's spittin real hard, but I'm flowin like water

Now, time is one thing that he ain't gotta lotta

Cause nigga don't know he's already been slaughtered

Oh no, I don't think that his life can be bartered

So might as well go wright him off as a martyr

I took his mom out, I'm a really good charmer

She Strokin so good swearin I'm Clarence Carter...

I guess this niggas don't know me
The fuckin Bars God Obi
I'm the kind of dude to kill your mom
And then fuck her slowly

God damn her pussy's so moldy
I wish someone would have told me
I probably wouldn't have tricked her out
Ballin like Kobe...

Bryant,
I'm a star like Orion
I'll make you fucking disappear
Like you was one of them Mayans

Yall are thinkin so hard
While I'm not even tryin
Half of y'all can't even rap
You just stick with typin

And for the other fuckin half
Who had the balls to rap
How bout you play your own songs
Instead of pre-made tracks

But it won't help you win
I'm a god among men
I'll put you ass to sleep
For longer than Endymion

Cause I'm as Savage as Randy
I'll make you go straight to plan Z
Your mom is freaky deaky on the Dick
Just call her Andy

No you can't crown a king
Until the fat lady sings
So I fucked Clark's momma's ass
Just to end this thing
