Im only charging a dollar. Im sure some people would rather just pay a dollar than go do it themselves.

Not to rain on anyone's party but... <https://hackforums.net/showthread.php?tid=1167200> :/ If someone really wanted they can do it free all by them selves and save a dollar... You need to also post some of your work or this will go no where no one has the time to kik you for images... That's just my opinion no hate intended!

I do believe if someone is unwilling to learn how to make fan signs then they will be fine giving you a dollar to do it.
