Thread: [Pirates Userbar Poll - Community Opinion](#)

eCoLoGy - May 20, 2015, 1:59 am

Hey guys,

So, I've had these last few days some people trying to design an userbar for Pirates as neither me or the HF community seems to like much the current one.

So I'm now presenting you the examples that were made so you can vote and give your opinions.

Just to make it clear, this is not to decide which one I'll choose. It'll help me of course in the decision.

So here you go:

#1 - #6 - #11 -

#2 - #7 - #12 -

#3 - #8 - #13 - [img]

#4 - #9 - #14 - [img]

#5 - #10 - #15 -

And that's it for now.

I have 1 or 2 users finishing their attempts today so I'll add them later.

Monkey D. Dragon. - May 20, 2015, 2:00 am

number 6, is so good to me but you should keep the one you have now imo what is your opinion
eCoLoGy

Meow - May 20, 2015, 2:01 am

I would go with #11 or #8. ?

we r num 1 - May 20, 2015, 2:01 am

I actually don't think any of them look good, but if I had to choose, I'd say number 11 or 13.

I won't give my opinion.

I just want to have the community thoughts in here. ?

xrox - May 20, 2015, 2:02 am

3 and 6 look really good... Good luck..

Roger Waters - May 20, 2015, 2:15 am

Narrate - May 20, 2015, 2:21 am

They're all pretty horrible looking to be honest, #3 looks the best though.

Yoshi - May 20, 2015, 2:24 am

#8 looks decent, rest isn't that good in my opinion.

#3 has some really ugly colours.

Autocorrect - May 20, 2015, 2:26 am

#13 and #10 are my favourites.

I agree, which is why I don't understand why so many people voted for it. The colour scheme is extremely odd.

KaptaiN - May 20, 2015, 2:32 am

All these votes for #3? Eh? One of the ugliest userbars up there.

Go with #7, it has a laid back and "friendly" look, which is the direction the group seems to be heading towards.

Krueger - May 20, 2015, 2:33 am

Number #5 got my vote looks awesome almost everything you requested Skulls and Pirates.

Osuka - May 20, 2015, 2:34 am

tbh they all look ugly pretty much anything with "pirates" sounds kinda dumb :/

Yeah I can't stop thinking of "butt pirates" when I see anything related to this group.

I'm not a Robot - May 20, 2015, 2:42 am

I voted for 6 but I also like 8,

Don't know why 3 is leading its ugly tbh.

SiStemiC - May 20, 2015, 2:43 am

Number 3 is super cool. It reminds me of a Black Ops II prestige emblem...

Shanks - May 20, 2015, 2:46 am

#7 to #10 is quite sexy, I voted for 8.

Silver Fang - May 20, 2015, 2:49 am

Telstra - May 20, 2015, 5:16 am

i have a lot of experience and have a good eye for a future userbar. itll stick to the forum without a doubt.

Flaxpicker - May 20, 2015, 6:45 am

#8 and #9 are the best ones out of the list

Zeke - May 20, 2015, 7:59 am

#3 is the only userbar that deserves to win. All others are 15 minute's work barely.

adampelletgun - May 20, 2015, 8:06 am

Number eight is the best one there in my opinion.

Foundatons - May 20, 2015, 8:07 am

At the end of the day, The decision is yours as that is why you made a group to make it in the image you wanted.

Vinnie - May 20, 2015, 8:10 am

#8 is the closest to decent.

eCoLoGy - May 20, 2015, 3:15 pm

Hey guys,

So I just got online. Had some business to do today so I'm just reading everything now. About the new entries the problem is HF just allows 15 images on the thread and the poll can just be edited by an admin.

Nah I don't think that's necessary.

As I said in the main post, this poll is only to get a general idea of the community opinion but in the end I'm still choosing the one I like the most.

KaptaiN - May 20, 2015, 3:51 pm

I don't want #8 to win, but that's only because it's colour scheme is similar to Echo's. It's not an ugly UB though, if you like it then go with it, but there are more original designs up there.

Herbo - May 20, 2015, 3:54 pm

Not sure why, but I am really diggin #13.

Grin - May 20, 2015, 3:54 pm

Out of those entries, your current one tops them all.

The new poll will contain the most voted (yours and two more top voted) and one or two that I like a lot.

Also as I've said I'm still be the one to choose the winner. The poll is just to get an idea of what the HF community thinks.

Ok guys,

So I've got plenty of designs for the userbar so first of all I want to thank everyone that lost some minutes doing an userbar for Pirates.

In this poll, I've inserted most of the userbars made to get a general opinion from all of the HF community and now I think I'm in position to choose the most voted ones and 1 or 2 that I personally like to open a final poll and decide myself.

I'm closing this thread now and will update it with the link of the new poll thread.
Thank you all!
