Thread: [Dream jobs](#)

Modern day Hippy - May 21, 2015, 7:22 am

I was curious on what kinda dream jobs you guys have in mind..

Mine is to live off twitch live streams, playing runescape or league for a living. Sadly, i have no current funds to make it work.

G???????f????s? - May 21, 2015, 7:23 am

I either wanna be a YouTuber or pro coder for some company.

Rob Gronkowski - May 21, 2015, 7:25 am

Mine may seem weird but I want to be a therapist. I want to help people.

Ahri????? - May 21, 2015, 7:25 am

Going to be joining the Air force, hope to save enough to start a YouTube carrier. Currently I am limited due to my hardware :/.

Regulus - May 21, 2015, 7:26 am

My Dream job is to become a successful EDM Producer and be able to play in front of thousands fans on some festival or something. :)

My #1 dream :)

My dream job is working in a marketing field.

Bluetortoise123 - May 21, 2015, 7:34 am

Mine is a stockbroker or a small shop owner

Dickface - May 21, 2015, 9:54 am

Law Enforcement. Always wanted to be a police officer.

Sarge - May 21, 2015, 9:56 am

Eventually I want to run a web security firm with a few buddies during the week, and own a paintball field as a good business on the weekends.
