Thread: [Your McDonald's Receipt \[BOGO Free Quarter Pounder / Egg McMuffin\]](#)

iDuL - May 21, 2015, 4:27 pm

At least the McDonald's in my local area have been doing this, surely yours must be as well.

After your purchase at a local McDonald's, take a look at the top of your receipt. It should say:

Quote:BUY ONE GET ONE FREE QUARTER POUNDER w/ CHEESE OR EGG MCMUFFIN

Simply order any of the above sandwiches and show them your receipt, you'll get another free. The receipt they give you from this should also have the same deal, so just keep repeating until they stop offering it. (It's been about 3 months and they're still doing this)

I live in the United States, California.

Jack in the Box also says that if you go to their site and complete a survey you get 2 free tacos.

Bruh, I had a friend that worked there.
90% of their food comes out of the deep fryer, including their cheap-ass tacos.

It isn't on all receipts but it is on a lot of them.

Noted, thanks. However it has been on every single McDonald's I've been to in the Bay Area in Cali.

BRUH. I LOVE JACK IN THE BOX. Really, though, I do love jack in the box's food. Although they ALWAYS fuck up my order, and it pisses me off. But their food is amazing imo ?

Their sandwiches are on fucking point. They also let you customize your order such as adding an extra patty. Pretty bomb when you ask for an extra patty on the Ultimate cheeseburger
