Thread: [Scorpi0n's BTC Giveaway || 10 Cents L33T || 20 Cents Ub3r](#)

???? - May 21, 2015, 6:17 pm

In celebration of my recent success, giving away BTC to upgraded users. Include in your post an answer to this question - "What is one thing you wish you could have told yourself in the past?"

Take a bit of time on the question not like 5 words please.

Uber: 20¢ worth of Bitcoin

Leet: 10¢ worth of Bitcoin

Post your wallet address below.

Well, I wish I could have told my self to find Bitcoin back when it was profitable to mine on normal PC with GPU, would have made tons of money and be able to start a small business.

What is one thing you wish you could have told yourself in the past?

Its a tough question, there would be tons of things that I wish I could've told my past so that I wouldn't have done them or given up on them. For instance, having lesser to none expectations from others, having more self confidence and faith and so on.. But in the end, the past is what made me into who I am today.
