Thread: [CLICKING YOUR LINKS | YOUTUBE | ADFLY | EVERYTHING](#)

?Sh?wn - May 23, 2015, 3:20 pm

Going to be clicking your links to repay you guys for the help I've gotten on Hack Forums so far. This community is great and I would like to contribute.

On this thread I will be clicking any links you guys would like, things such liking youtube videos and clicking adfly links. I'm not going to be signing up for some long ass survey or download some sketchy shit.

I'm doing 5 links max for every person so it doesn't take me an hour to get through these. ?

This thread is open to all members. I will be opening every link with a VPN incase there are some IP loggers and what not.

Keep in mind I will be doing this whenever I have time or I am bored so don't expect me to finish all of the responses right away. But I will still try to be active and continue to check back on this thread. This service will be going on until the thread gets closed.

My BTC - 1EPFzoEbZ8okcKqrzusq7eHGHzwPJsL4hU

I'd appreciate if you guys donated for my service.

ENJOY!
