Aren't onlyfrag95 files God like and the only files with proper xosc that last longer then 12hours

killadud - May 24, 2015, 12:11 pm

I've been on frag's files for 5 days now and no bans im actually surprised. you'd be wasting money buying this. get the offline files.

Sky Lobbys - May 24, 2015, 1:39 pm

The Next Rental Server ?

Flipn panda - May 24, 2015, 8:03 pm

Lol an none of his bypass are unbannable lol y wood any one buy your server over frag just asking

roboo176 - May 25, 2015, 9:58 am

servers popping up all over, its kinda unsettling all these people thinking they can make money by creating these skid a\$\$ servers lol!

Flipn panda - May 25, 2015, 11:12 am

I no the only person that could sell time in 2015 is only frag if he adds his unbannable advanced warfare bypass bo2 bo1mw3 mw2 destiny and halo all in one thug ass server bypasses I wood pay 10a day

bo1,mw3,mw2 and ealier halo dont have challenge response

Vermicide - May 25, 2015, 6:24 pm

since XeNon files are out every server and other files are trash in my opinion. But good share.

I rather use XeNoN and not get banned but what's so good about your XBLS sever? How fast would a unshared KV last?

TheNigel - May 30, 2015, 12:38 am

vouch for renegade I was on for like 6 days before getting banned, I had also been using xenon for 4 days prior to using renegade.
