Atleast people will know what they are when they use this product. Never the less, the product looks amazing. Any vouch copies available?

Hyptonix - May 26, 2015, 1:13 am

Looks amazing! Pretty much an all in one tool right here. Vouch. Best of luck with sales!

Ghostwork - May 26, 2015, 3:01 am

Looks like an amazing program. Any vouch copies?

hKRASS - May 26, 2015, 3:46 am

Looks cool ?

25\$ is a nice price, how often will it be updated?

Can I load custom dork lists?

Any vouch copies left?

Hopsin - May 26, 2015, 3:47 am

\$25 + source code? That's very cheap and very nice. Good luck with your sales mate.

Mr. Crowbar - May 26, 2015, 3:59 am

@Hopsin i'm selling the source code separately. Thanks Dude!

@hKRASS Yes you can load custom dorks,exploits,exceptions and stuff :)

@Doughnut enable your pm.

About vouch copies i have already give 2 and i'm not gonna give any more.
